RHODE ISLAND INJURY FUND

Parents, please be aware that this program will cover all additional expenses that are not covered by your insurance if the student has both school and private insurance. If you have just one there will be a \$100.00 - \$200.00 deductible before the Injury Fund will cover any expenses incurred. The cost of school insurance for an athlete for the school year 2003 - 2004 is presently \$ 8.00 and \$10.00 for football players. It is strongly recommended that each student/athlete have both but it is not mandatory.
